

Autumn Term Newsletter 2

Friday 27 September 2024

Welcome to this edition of the newsletter. Please do take the time to have a read. The summer holidays now seem like a long way away and we are well back into the swing of things in school. Children and staff are working hard and there is lots of excellent learning going on. I personally I am doing my best to learn names as quick as possible. I have enjoyed my first month at St Peters and can see how much the school has moved on in the past 12 months.

Donation

A lovely story to start with. Mrs Birmingham this email out of the blue this week.

Dear Mrs Birmingham,

I am an old pupil of St Peter's, attending for a couple of terms or possibly a year in 1966 to 1967 or thereabouts, in Mrs O'Callaghan's class.

In September last year, I sent a scan of an old black-and-white photograph showing the class I was in (also attached here; I am on the back row, third from the left), and subsequently corresponded briefly with the acting headmaster about my time at St Peter's.

I've just watched the video on the school's website about the Library Project and would like to donate £100 (one hundred pounds) to it. Towards the end of the video, your name was given as the point of contact. By way of background, I should also say that I have had no involvement with the school since leaving it. I am only a former pupil, but have many happy memories of my time at the school and of living in Heswall.

A really generous gesture for which we are really grateful.

St Peter's Bonfire and fireworks night

The planning for this is well underway and I have to say that it looks like amazing event. After the return last year it is planned to be even bigger and better in 2024 and I am really looking forward to it. Events like this rely on the goodwill of lots of people to volunteer and help out and we will be looking for as much assistance as possible. Tickets will be on sale very soon.

Harvest

Our Harvest service will be in church on Monday 7th October. We will need parents/carers to walk children to and from St Peter's Church. We will also be collecting for Wirral Ark and the Charles Thompson Mission from today. Please click on the link below for details of what items are really needed. Please could all donations either be passed to your child's teacher or brought to the school office. Many thanks for your support.

We are also participating a little in the church harvest service in the parish on Sunday 6 October at St Peter's church. Mrs Woolley and I will be representing the school along with some of the children. It would be lovely to see lots of our school community there.

Looking smart

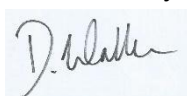

At St Peters we pride ourselves in looking smart and being ready for work. Part of this is being appropriately dressed in school uniform. You can help us with this by reminding children that they need to enter school with their school shirts tucked on. Lots of children are currently walking around with shirts hanging out and we are doing lots of reminding. It may seem like a small thing but it's important to ensure that we maintain high standards in all areas.

Final Prayer

As a church school I always think it is good to end the newsletter with a prayer for the weekend. This week's was written by Samuel and Isaac in Class 5-6C.

*Dear Lord,
Thank you for the week and into the weekend.
Thank you for friendship.
Thank you for nature and earth.
May we have a good weekend,
In the name of Christ,
Amen*

Have a lovely weekend,

Dave Wallace
