firm foundations, shining bright

Ofsted

Thank you to all of the parents who took the time to fill in the parent questionnaire, speak to the inspector and for the ongoing support and positive comments about the school. I'd also like to thank our wonderful staff—Ofsted inspections present a huge stress and strain for every employee of a school, and as always our committed team pulled together. Our Governors, who devote time to our school and lastly and most importantly a thanks to our children, who always do us proud.

The immediate outcomes and judgements of the inspection remain confidential for the time being. We hope to be able to share the full report with families before Easter, although this is an approximate timeframe. We can share that the inspection was a positive experience.

We hope all of our school families and community has a restful, enjoyable half term and we look forward to seeing everyone again on Tuesday 27th February.

Social Media and Marketing – Can you help?

We all know that many exciting activities and wonderful successes happen every single day at St. Peter's, and sharing these in the most effective and impactful way is not only great for the existing school community, but is also vital in showcasing our school to new families looking to potentially join us. We already have a well-managed and safe social media presence, but think we can do even more to tell our story in the best way possible. The Leadership Team and Governors are seeking help from any parents, carers or other members of our school community who have any professional marketing, PR and/or social media experience to give some advice on a voluntary basis. There will be no obligation, and a governor would work with you to ensure all of the important policy and procedure side of things is maintained. If you think you could spare a few hours, it would be very gratefully received - please contact James Warren (one of our Foundation Governors) directly at jameswarren@stpeters-

Diary Dates:

Please see below for a brief overview of key dates over the next two weeks.

Week beginning Monday 19th February—HALF TERM

Monday 26th February—INSET day—school closed.

Tuesday 27th February—School open to pupils

Kind regards,

Michael Parry
