

Autumn Term Newsletter 3

Friday 11 October 2024

Welcome to this edition of the newsletter. It now feels like the summer never happened as the nights are drawing in a bit and it is definitely getting colder, especially in the mornings. It has been a really long half term as well and with 2 weeks left, I think all the children will be ready for a break. Just a reminder that the last day for pupils will be Thursday 24 October as we have staff INSET on the Friday. Plenty to do before that though.

Coming up in the next two weeks...

Attendance Update

As you will be aware, there is a big national agenda from the DFE regarding attendance so I am going to be sharing our attendance data with you via the newsletter.

Current % attendance so far in 2024-2025 = 95.8%

This is excellent at this stage, as each session missed is a much larger percentage than it will be by the end of the year. I am looking forward to seeing this improve as the year progresses.

St Peter's Bonfire and fireworks night

Loads of work is going into planning this and it promises to be a fabulous night - have you got your tickets yet? If you not you can get them here

Harvest

Thank you for all the donations that came in for the harvest appeal. We had a lovely Harvest service in church with some great singing. Many thanks to all the parent helpers who ensured that the walk down to church was a safe one. A reminder about this Sunday's Messy church event at the Lighthouse church in Heswall. All welcome with details on the flyer.

Active Travel

We have been running the active travel WOW Walk to School initiative now for the past week and the engagement of the staff and children has been fantastic. The aims of this are to reduce the levels of traffic outside school as well as encouraging children to be active. We know a lot of parents do drive to school out of necessity so we would encourage you to use the Park and Stride initiative (passes available from the school office), or to park just a little further away and walk in. Officially, we want children to come to school actively once a week - if this is still going to be tricky for you please do contact your class teachers so we can make sure that this is open to as many children as possible.

Final Prayer

As a church school I always think it is good to end the newsletter with a prayer for the weekend. This week's was written by Kiera, Hattie and Bella in class 3/4RW.

Dear God

Thank you for friendship

Thank you for everything you have given us

Sorry for the bad things we have done

We love God

Please forgive us for hurting other people's feelings

Sorry for the bad choices we have made

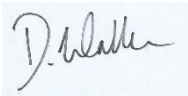

Thank you for the world you made for us

Thank you for everything!

In Jesus name

Amen

Have a lovely weekend,

Dave Wallace
