

St Peters Fundraising Committee

Design the Summer Fair brochure

front cover Competition

The school summer Fair is on Saturday 24th June and this year we would like to front cover to be designed by one of the children within the school.

The competition is £1 to enter.

It can be any design you like but the brighter the better.

It can be in pencil or felt tip.

It needs to be A4 in size and of portrait orientation.

Last year's brochure cover can be seen on the St Peters website. You do not need to put any details of date etc... as all the writing will be added on at the printing stage.

Finalists will be chosen from each class and then the winning design will be chosen and will be printed as the front cover on all the summer fair brochures.

Please hand your picture and slip above in to school and try not to crease the drawings. Please enclose the slip below and the £1 entry fee.

Closing date for entries is Friday 13th May.
