### Code of Conduct

The school Code of Conduct states, 'Look Smart', which is a paraphrase from the statement,

**We will wear our uniform showing pride in ourselves and in our school.**

### Principles

It is our policy that all children should wear clothing that is in keeping with a purposeful learning ethos. We also believe it is important that certain activities are facilitated by specialised and appropriate clothing when attending school, or when participating in a school-organised event outside normal school hours. We provide a complete list of the items needed for children's school uniform in this policy and on the school website.

### Aims

Our policy for children's school uniform is based on the belief that a school uniform:

- promotes a sense of pride in the school
- engenders a feeling of community and belonging
- is practical and smart
- identifies the children with the school
- makes children feel equal to their peers in terms of appearance
- is regarded as suitable, and good value for money, by most parents
- has been designed with health and safety in mind.

**Our school colours are royal blue, grey and white and the uniform is as follows:**
